<p>Note: Known as Ole Peterson. According to Una's mother's research Olof Petter Quistrom changed his name to Ole Peterson when he became a U.S. Citizen. His temple work was done under his birth name of Olof Petter Quistrom. His wife & daughter under the name Peterson. Parish records of Stenkrykra on European film # 133730 revealed that his actual birth name was Olaf Petter Laurentitus Mathiasson. Some of Una's records also gave Ole's birth place of Wisby, Gotland Island, Sweden. However, a search of Wisby church records did not locate any record of his birth. Temple records of Bernice V.K. Boies gives his b. place as Lummelunda, Gotland, Sweden</p>
